STAT

I was glad to have your 9 October letter (with enclosures) applying for our History Staff position.

I have to say, however, that since almost all of our applicants have PhDs in hand, your application is at some disadvantage, even though you have a good deal of editorial experience and will no doubt complete your doctorate rapidly as a full-time student. In any event, I'll let you know how your application stands within a week or two.

With all good wishes,

Sincerely,

STAT
